No Regular meeting

CHRISTMAS GET-TO-GETHER AT THE GOLDEN CORRAL ON DECEMBER 17

Be there by 5:30—mention that you are joining the group in the back dining room.

Scholarship drawing will take place.

NIMC MEETING— MINUTES 11/19/15

DUES ARE DUE for 2016

The meeting was opened by President Dale Ruperd,, followed by the flag salute. 15 members were present in spite of the stormy weather. We welcomed Joshua Williams (and family). . Carl Chapin gave the treasurer's report accepted by vote of the membership. Show dates for next year for our club are June 4 & 5. Dean Hutchinson and Patric will be co-chairs for the show. Dealer Chairman duties will be shared by Corey Brenner and Bev Bockman . Also, the newsletter editor in 2016 will be Mike Burton (instead of Bill Johnson, as reported last month), taking over from Bev Bockman who has had the job for many years. Tax matters for the club will be handled by our treasurer with the guidance of George Rekow.

Nominating Committee reported that the present officers will remain—Dale Ruperd, President, Carl Chapin, treasurer and Diane Rose, Secretary. The nominee for Vice President is Corey Brenner, and his nomination was unopposed..

The next scholarship drawing will be held at the **December meeting of the club on December 17 at the Golden Corral. We will be meeting in the back dining room, so be sure to mention that when arriving. We will meet at 5:30 PM.**

The remainder of the meeting was a presentation by Joshua Williams from NIC Geology class. He spoke of his desire to integrate our interests in rocks and minerals. The possibility was broached of even starting a lapidary shop at the college—maybe for adult education as well as student credit. Our club would have to instrumental in finding and appraising necessary materials for consideration. He seems interested in student participation at the rock show next June. We will be hearing more from Joshua in the future weeks. B. Bockman, (relieving for Diane tonight.)
